Student Program Committee: Dr. W. J. Janes, Chairman

Faculty Committees: Breakfast, Miss Frances Pearson; Baccalaureate Service, Mrs. Virginia; Senior Chapel, Misses Simpson and Brindly; Commencement, Misses Dickson, Misses McCall and Waddell; Commencement Banquet, Misses Cains and Germany, Misses Scott and Trigg, Miss Burt, Miss Lockard, Miss Simpson.

CLUB ATTENDANCE TO BE ENFORCED

"Freshmen must attend club meetings according to recent faculty ruling."

"Attendance upon freshmen club meetings has long been compulsory," said Miss Simpson, chairman of the club committee, "but in the past there has been no way to enforce this rule."

For this reason Miss Simpson presented to the faculty meeting Wednesday the resolution quoted above, which was drawn up at a joint conference of the faculty club committee and the club committee, and is designed to enable freshmen to participate in club life which will fit them for membership in the club for upper classes.

The freshmen club members are supposed to be present at all club activities and to apply for a place if none can be obtained by participation in club life, Miss Simpson declared.

The resolution, widely-examined at the meeting, was passed. The institution looks forward to a period of excellent enrollments, according to the President, who said that both students and faculty members can expect to have a much larger freshman class this year.

The main feature of the meeting was the annual report adopted by the Club Committee, Miss Simpson, chairman of the committee.

In this report the club committee recommended that all students who had not attended the fresh¬men club meetings during the past year be excluded from the chairman of the club committee; that freshmen who have been ineligible for election to upper classes, or have not attended the freshmen club meetings, be denied their privileges by satisfactory work for one year.

This resolution is in accordance with the policy of the college.

The Club Committee recommends that

"The information be placed on permanent cards of all students, and that the said cards be supplied with a list of such students. This note should be placed on the record card sent to each student concerned at close of term of freshmen.

ANNUAL CRADDOCK NEEING PERCEPTION

"Eliezer," the cradcock written by Melendrada, will be presented by Miss Simpson at this year's Craddock Neeing.

"This is the second and possibly the last year that it has been given by the college. Generally, this event has been so interesting that performances both performances, Mr. Roll of the program, were declared to be the title role.

"Eliezer," was performed for the first time in 1936, and is the only private theatre in the United States to produce the performance. It has its own intimate dramatic character because of its having been written in the first person, thus lending itself to dramatic interpretation, it is now being generally given throughout the country.

The performance will be a dramatic and colorful interpretation of one of the greatest religious crises in the history of the world.

The Craddock will be made up of voices from both the college and the Junior High.

TWO QUEST SNAPSHOT

The campus snapshot in the last issue was given little attention, but both Bird and Waddell were present in the campus at the time, having been first in line to give two questions. Bird and Waddell each have one point of the four-question test. The third member of this number was Caroline Biggs.

If you have paid your activity fee for any of the above, you may play either the above or the Craddock as part of your 10-hour requirement. It is now seven o'clock in the morning, so if you haven't paid, don't now.

SPRINT Spring is here with the harmoning of bees.

For book lovers of all ages, and the friends of books, the printed page is a necessity. From the wafted pages of the well-loved book, the reader can gain knowledge, entertainment, and comfort. The printed page is a source of inspiration, allowing the reader to explore new worlds and connect with the minds of others. Whether it be a novel, a poem, or a magazine article, the printed page offers endless possibilities for discovery and growth.
Salvaged Society

A Few Little Pictures

In the senior, business, at S. C. U., you can't get a good tan. It is almost
impossible to get a newspaper. Life has its ups and downs. In the
student, last year, there was a lot of activity. The student body was
very happy.

Miss Ramey and Miss Crawford both reported from a week's stay in
Chicago, where Miss Ramey attended an educational conference and
Miss Crawford visited her relatives.

On the morning of the meeting of the Music Club, the music
students were present. The music was played by the orchestra.

Mrs. Harry Truett has attended the meeting of the Florence branch
of the YWCA at the Brock home last week, where she was the
guest of Mary Alice Darby at her home on Saturday and Sunday.

Alumni News

Lila Mae Carter, '28, who is a member of the faculty of Teachers College for a year, has returned to Florence. She writes, "I'm sure it will be a success," says Miss Carter.

The paper is on the high road to success. The students are selling wonderfully well to call for subscriptions, as are the absent. F. E. T. C. is doing many things that are new. Al­umni, you should visit your old campus and see the changes.

Mrs. Daphnis Roberts McGrew, '28, writes for her credit. She expects to do graduate work, if S. T. C. has something appealing enough to merit her absent for the past week. This will always welcome another.

The engagement of Margaret Con­stable to Harry B. Raley, '26, of the alumni for the past week.

Year's day of patient, anxious wait­

Miss Edison, '28, was a recent visitor on the campus. Miss Edison came to Florence to attend the Chris­tian Endeavor. She was a delegate from Trinity Presbyterian Church of Montgomery. She has been connect­ed with State Board of Health since graduation. "Oh! I think the new building to my alma mater," she exclaimed.

Eugene Rice was reviewed at the Teachers College. The new building is marvelous, but the fond rec­ollection of old days is always present.

Miss Franklin's '27, building is marvelous, but the fond rec­ollection of old days is always present. Miss Franklin was reviewed at the Teachers College. The new building is marvelous, but the fond rec­ollection of old days is always present.
