BABY'S BOTTLE

Yes, that's him, cold as the slab.
Did he die with his bottle?
The water covered him, but not
his bottle.
It figures. Did he have any
money?
It was wrapped up in his bottle.
He crawled away yesterday -
where did you find him?
In the ditch by the chocolate
factory.
Did he have any chocolate?
His M & Ms melted.
He always was a mess. Did the
water clean him?
The water was brown.
Did he drown?
He had chocolate water in his
lungs.
What was the cause of death?
Too many sweets.
My baby! Where did I go wrong?
On Nipple Street by the choco-
late factory.

—Larry W. McDonald
