**THANK GOD THE ICEBURG OF 1931 HAS MELTED AT LAST**

Are you a member of my universe  
Or of my earth perhaps?  
Is there a place where you could sit and watch  
The ice-blue veil protrude  
And drape itself upon the crystal plane,  
Or watch the stately white glide by on crystal green  
And disappear into the gray unseen?

And the second, based upon our mutual, unspoken sadness  
When we heard about the breakup of the Dave Brubeck Quartet.
