### **It's A Glorious, Sunny And Beautiful Day**

It's a glorious, sunny and beautiful day  
when at last you shake the fetters away  
when you see the light and begin to climb  
from inside the world that makes you blind  
and that tight, constricting, cocoon sort of thing  
no longer contains your beautiful wings.

It's a happy, lovely, free kind of day  
when you spread those wings to fly away  
when you face the wind and it carries you high  
any your only limit is the blue of the sky.

For it's a new and holy and wonderful day  
when first a butterfly flies away!
